

Janice Willingham recently retired from Westmoore High School in Oklahoma City where she taught pre-AP chemistry and AP chemistry and where she also served as department chair. Janice brings to the workshop 38 years of teaching experience. For the past 35 years Janice has taught chemistry and 22 of which have been Advanced Placement Chemistry.

Janice has a BS degree in Medical Technology from the University of Central Oklahoma and a MS degree in science education also from the University of Central Oklahoma. For seven years Janice worked as a Medical Technologist and Chemistry department head at Children's Memorial Hospital in Oklahoma City before becoming a teacher for the Moore School District.

Janice was runner up to her district's Teacher of the Year Award. She has been listed in "Who's Who Among America's Teachers" for several years and is the recipient of Sigma Xi's Club "Teacher of the Year" from University of Central Oklahoma (1994) and from the University of Oklahoma (2001). In 2005 Janice received the Siemens Award for Advanced Placement and has again been nominated for this award for 2007 and 2008.
