

Mark Adame holds a Bachelor of Science in Marine Biology from Texas A&M University and a Masters of Arts in Science Education at the University of Texas at Dallas.

After several years working in the research field at the University of Texas, Medical Branch, in Galveston, and the University of Arkansas for Medical Science, Mark started his teaching career through Arkansas' alternative teacher certification program. For seven years, he taught both Pre-AP Biology and AP Biology at WD Mills University Studies High School, in Little Rock, while maintaining his research position. In 2003 Mark moved to Carrollton, Texas, where he continued to teach Pre-AP and AP Biology while serving as Carrollton-Farmers Branch school district's lead AP Science teacher until 2007. He currently teaches both AP and Pre-AP Biology at St. Mark's School of Texas in Dallas.
