

Scott Pass currently teaches Algebra I, Pre-AP Pre-Calculus and AP[®] Calculus BC at McCallum High School in Austin TX. He is an AP[®] Calculus Reader and an active College Board Consultant. He has participated in projects ranging from the IAS Park City Mathematics Institute to work with Dana Center at UT Austin all related to his interest in reforming Mathematics education. Scott is experienced using TI-84 and TI-98 graphing calculators, Geometry Sketchpad, Winplot, Calculator Based Labs (CBL's) and Maple Software. Mr. Pass has trained with the College Board in areas such as AP[®] Vertical Teams and advanced topics related to teaching AP[®] Calculus.
